## **Our Mission: To Eradicate Sex Trafficking**

Sex trafficking is a booming industry in America. It thrives because there is a serious demand for commercial sex with minors. Every day in America children are being bought and sold for sex. And they are waiting for you to notice. But would you know it if you saw it...

# WHAT WE DO

---

**Prevent**

**Restore**

**Bring Justice**

# Take Our E-courses

---

## **EXPLOITED**

This course offers a comprehensive understanding of domestic minor sex trafficking (DMST). It includes information about victims, traffickers, common grooming tactics, online exploitation, and appropriate reporting.

## **RESPOND**

This course is design for healthcare providers, social workers, counselors, or any medical providers who may interact directly with survivors.

## **VOI (Victim-Offender Intersectionality)**

This course covers the legal implications of VOI using case studies and expert field guidance to provide concrete recommendations for criminal justice stakeholders to make legal processes more victim-centered and trauma-informed.

## Internet Safety **Resources**

---

With our expert informed research, we developed a comprehensive Internet Safety Toolkit – made with you in mind. This critical information will help you keep the children in your life safe from internet-based danger.

# WHITE VAN CAMPAIGN

---

We often forget to talk to kids about 'stranger danger' online. Shared Hope wanted to use the familiar symbol of the white van to translate this concept to keeping kids safe on social media and gaming.

# REPORT CARDS

## How did your state score?

The new *Just Like Me Report Cards* evaluate states based on a Top Ten list of laws focused on ending the criminalization of trafficking survivors and addressing its lasting impacts. This project targets those areas of law that have historically been hardest to shift—particularly those requiring long-term, collaborative efforts and broader cultural and systemic change.

# JLM LEGISLATIVE AGENDA

---

**Issue 1: Removing Definitional Barriers to Identification**

**Issue 2: Preventing Unjust Criminalization**

**Issue 3: Addressing Consequences of Criminalization**

**Issue 4: Providing Critical Supports to Survivors**

## SUPPORT THE MISSION

---

### **Become an Ambassador of Hope**

Are you passionate about preventing sex trafficking in your community? Become an Ambassador of Hope and make a difference in your hometown!

### **Support our Bills or Take Action**

Child sex trafficking victims are often prosecuted and charged for offenses related to their own victimization. Support victims who have been unjustly criminalized by contacting your legislators.

### **Donate**

The gift you give will support and empower people who are victims and survivors of child sex trafficking.

# JuST

## **Juvenile Sex Trafficking (JuST) Conference**

Featuring law enforcement, survivor leaders, and passionate advocates, the JuST Conference provides practical knowledge and actionable responses to raise awareness and equip communities to ultimately end trafficking in their local community.
